

Biography

Darryl A. Elmouchi, MD, MBA

President, BHSH Spectrum Health West Michigan

Darryl A. Elmouchi, MD, MBA, is president of BHSH Spectrum Health West Michigan, a division of BHSH System—formed by the joining together of Beaumont Health and Spectrum Health in 2022. As president of BHSH Spectrum Health West Michigan, Darryl leads strategy, operations, clinical oversight and financial performance for 11 hospitals, 120 outpatient locations, telehealth, a large continuing and home care enterprise, and a medical group with 2,000+ provider members in West Michigan. Darryl also serves as a member of the system leadership team at BHSH System.

Equal parts charisma and caring, Darryl boldly encourages his teams and organization to reimagine the status quo. A strong communicator, he inspires people to move through challenges, demonstrating empathy and positivity through both words and actions. In addition to his role at BHSH System, Darryl is a clinical professor of medicine at Michigan State University College of Human Medicine.

Background

Darryl previously served as president of Spectrum Health West Michigan, a division of Spectrum Health System, where he was instrumental in bringing together Spectrum Health Hospital Group and Spectrum Health Medical Group. A practicing physician until 2019, his prior leadership roles include chief medical officer of Spectrum Health System, president of SHMG, chief medical officer for SHHG, chief of cardiovascular medicine at SHMG and chair of the department of cardiovascular medicine at SHHG. From 2010–14, he was medical director of cardiac electrophysiology at Spectrum Health. Before joining Spectrum Health, he served as a cardiac electrophysiologist at West Michigan Heart.
