

Biography

Nancy Susick, RN

Interim President, BSH Beaumont Health

Nancy Susick, RN, is interim president of BSH Beaumont Health, a division of BSH System—formed by the joining together of Beaumont Health and Spectrum Health in 2022. As interim president of BSH Beaumont Health, Nancy leads strategy and corporate decision-making for eight hospitals, 150+ outpatient locations, telehealth initiatives and ~6,800 independent, affiliated and employed physicians and advanced practice providers in Southeast Michigan. She also serves as interim co-chief operating officer for BSH Beaumont Health, with responsibility for hospitals in Grosse Pointe, Royal Oak and Troy. In addition, she continues to serve as president of Beaumont Hospital, Royal Oak, overseeing strategy development, daily operations and financial performance of the 1,100-bed acute care campus.

An experienced executive known for building strong relationships, Nancy is highly respected for her collaborative approach to decision-making. She values teamwork and motivates her colleagues to creatively solve problems. One of her top priorities is to help mentor the next generation of health care professionals by sharing her extensive knowledge and expertise.

Background

Prior to becoming president of Beaumont Hospital, Royal Oak in 2019, Nancy served as president of Beaumont Hospital, Troy. Before becoming president, she held a dual role as vice president, chief operating officer and vice president, chief nursing officer at the site. A registered nurse since 1986, Nancy has held numerous other leadership, staff and administrative positions. She retired with the rank of Captain from the United States Navy Reserve in 2012 after 24 years of service and holding multiple leadership positions.
